### Welcome!

Welcome to the IACA Calgary meeting. Our board has been working on this meeting for over two years to make it our best meeting possible.

This morning will start with a historical presentation on the many and various attacks in North America that can affect a dentist's freedom to practice in a manner they prefer in helping their patients. I hope you got plenty of sleep last night so your mind is sharp to absorb as much of this information as possible!

If you are new to neuromuscular dentistry, (NMD), or just falling into some lax habits you will enjoy the lectures on the basics of NMD. We have developed this track to help you understand the rest of the lectures during this exciting meeting.

If you are new to the IACA or a veteran we welcome you to the 2013 Calgary meeting!

*Dan Jenkins, DDS, President of the 2013 IACA*

### Exhibitors

The Exhibit Hall is located in Exhibition Hall CD!

This conference is made possible in large part due to the support of the IACA partners. Place an order to receive drink tickets from participating exhibitors.
