a world of difference...
EXHIBITOR INFORMATION

EXHIBITING
With several dental meetings out there to exhibit, what makes the IAPA conference the must attend meeting of the year? Over 96% of attendees visit the exhibit area during the conference. With the foundation of our conference based on Physiologic Neuromuscular Dentistry, we provide a unique experience not only for our participants, but for our vendors as well.

MARKETING MATERIALS FOR CONFERENCE BAGS
As an exhibitor you will be given the opportunity to showcase your company by placing a marketing piece in our IAPA registration bags that are given to all attendees at the conference. This will be another way to market your company to the attendees at the 2018 conference. (The amount of pieces you receive in the bags is based on your level of sponsorship.)

IAPAOPOLY
The IAPAopoly is a great way to market your booth and products alike! If you would like to take advantage of additional marketing during the show, IAPAopoly is the way to go. A registration form will be sent to all contracted exhibitors along with contact and instruction information on how to play.

EXHIBITOR BADGES
Being an Exhibitor will allow you to bring one or more representatives to the conference. The number of attendees is based on your level of sponsorship. Additional booth representatives may be added for a $600 fee, per representative. Exhibitor badges are all-access badges and will allow you into courses, workshops and social events during the conference.

REGISTRATION
All attendees must sign in at some point during the three day conference. Early registration will be available prior to the conference in the designated registration area. At this time you may pick up your lanyards and exhibitor badge.

HOTEL INFORMATION
The IAPA has a room block with the Red Rock Hotel. To register your room go to www.theiapa.com/hotel-information
BOOTH ASSIGNMENT POLICY
No exhibitor shall assign, sublet or apportion the whole or any portion of space allotted, nor exhibit therein any goods other than those manufactured or distributed by the exhibitor in the regular course of business, nor permit any representative of any firm not exhibiting to solicit business or take orders in their booth space. Any exhibitor violating these rules will have their exhibit closed for the current meeting and may be banned from participating at future meetings.

CARE OF EXHIBIT BOOTH
The exhibitor must maintain and keep in good order the exhibit space contracted. The exhibitor shall maintain and conduct the exhibit in a neat, clean, orderly and safe manner. The exhibitor shall keep an attendant in its display during the hours of the Exhibition and must surrender the space occupied by it in the same condition it was at the commencement of the meeting. Exhibitor shall be responsible for damage to property. Additionally, the exhibitor agrees to keep an attendant in its display during the posted hours of the exhibition and not abandon their booth space prior to the close of the show without advanced written approval from the Show Manager.

SECURITY
While show management will exercise reasonable care in safeguarding your property, neither meeting management, the facility, security coordinator, drayage contractor, nor any of their directors, trustees, officers, agents, or employees assume responsibility for such property. Exhibitors are warned to take precautions to protect against pilferage.

INFRACtion OF MEETING RULES
An exhibitor shall not infringe upon the rights and privileges of another exhibitor. Any complaints regarding infractions or disputes between exhibitors would be made directly to the Association and assume its decision final. Unethical conduct or infraction of the rules on the part of the exhibitor or their representatives will subject the offending exhibitor, their representative, or both to dismissal from the Exhibit Area, forfeiture of booth space and booth fee. In this event, it is agreed that the International Association of Physiologic Aesthetics shall make no refund and that the exhibitor or its representatives will make no demand for redress. These regulations are to be construed as part of all space contracts. The Association reserves the right to interpret these rules as well as to make final decisions on all points not covered in these regulations.

INSURANCE
On or before October 1, 2018 exhibitors must provide the IAPA with an original Certificate of Insurance showing the policy in effect at least through October 27, 2018. It must show evidence of insurance coverage with minimum limits of $1,000,000 combined single limit bodily injury and broad form property damage coverage, including broad form contract liability. In addition to the exhibitor, such certificates of the insurance will name as additional insured LVI Global. Exhibitors should be reminded to have a rider on their insurance policies covering their exhibits during the travel from their home base to the show, during the show, and when transporting shipments back.
The IAPA has created enthusiasm and sparked excitement in the attendees. The exhibit area is always booming with dental professionals eager to check out the latest in dental products and ways to improve their practice. The 2017 IAPA in Las Vegas, Nevada was no exception and each meeting continues to get even better. Below are a few testimonials from recent exhibitors.

“The IAPA annual meeting is exceptional! The meeting is well organized with great energy, and a focus on technologies and techniques that advance the dental profession. The attendees are open, engaging, enthusiastic, and easy to get to know. As a neuroscience company that serves six industries across five continents, we attend many conferences all over the world. Not only is the IAPA the best dental conference we attend annually, it’s one of the best conferences, period.”

Jim Poole,
President and CEO of Solace Lifesciences,
The Makers of NuCalm

“This is one of the meetings that I look forward to every year. Why? Well, it is for multiple reasons. Here are two. First, I get to renew already established relationships with customers that come from literally all over the world. Second, and perhaps most important, to my team members that are assigned to work this meeting, they are energized by the positive feedback received from customer: the engagement of practitioners truly interested in investing in their skill set, including product knowledge; and the welcoming environment that is the IAPA meeting.”

Daniel J. Parrilli,
General Manager, Kettenbach LP

“I have attended the IAPA each year the past 4 years and like every year past, 2016 exceeded our expectations! Like one of my colleagues said, IAPA really knows how to put on an amazing event, and 2016 was one with great lectures, like minded high level attendees, food trucks, and fun. I can’t wait to see what they have in store for 2017!”

Shane Varga,
Dental Regional Sales Manager, Tekscan

“This isn’t a conference, it is a family gathering.”

Darren Seigel,
Director of Strategic Partnership & Consulting, Advice Media

IAPA PARTNER TERMS & CONDITIONS

All IAPA Partners are bound by the following terms and conditions.

1. All commercial support received from IAPA partners will be fully disclosed to IAPA meeting attendees.

2. All commercial support provided to the IAPA is provided on an unrestricted basis and shall be used in such manner and for such purposes as shall be determined by the IAPA in its sole and absolute discretion.

3. All decisions regarding funding arrangements for all continuing education activities hosted by the IAPA are the sole responsibility of the IAPA board of Directors and CE Advisory Committee.

4. No products or commercial services may, or will, be marketed nor will other sales activity take place inside any classroom setting or while continuing education credit is being offered.

5. The IAPA and its CE Advisory Committee are solely responsible, without supporter restriction, for all educational program content and for the selection of all speakers and topics.

6. The IAPA is responsible, without supporter restriction, for the lecture topics, speaker selection content as well as use of all instructional materials that are presented.

7. The IAPA and its CE Advisory Committee take all possible steps to ensure that balanced views of all subjects are included in all educational program content.

8. Nothing contained in this Agreement shall be construed to place them in the relationship of partners or joint ventures.
