

2024 IAPA BOARD MEMBERS

DOUGLAS HANSON, DDS, LVIF, FIAPA – 2024 IAPA PRESIDENT and CANADIAN CHAPTER PRESIDENT

Dr. Douglas Hanson graduated from The University of Toronto in 1992, he was awarded The Canadian Dental Association's Presidents award, and was also inducted into the OKU dental honor society. Upon graduation he began to practice in his Northern Ontario home town. Most would not believe that a full service comprehensive restorative practice could develop in such a small town. Dr. Hanson has continually embraced challenges such as this and is proud of the outcome. He has utilized the knowledge and leadership of his mentors particularly his LVI family to help realize his goals. Dr. Hanson became an LVI fellow in 2014 and has continued to feed his thirst for knowledge ever since. He ultimately strives to be a positive influence in the people's lives he touches.

RANDI GREEN, DMD, LVIF, FIAPA – IAPA PAST PRESIDENT

Randi Green graduated Summa Cum Laude from the University Of Mississippi School Of Dentistry in 2009 and was inducted into Omicron Kappa Upsilon Honor Dental Society. Upon graduation, she completed an AEGD residency at the same university. After 11 months as an associate, Dr. Green knew that solo practice ownership was the career path she wanted to pursue, and she purchased her Springfield, Missouri, practice in 2011. The prior owner was a student of LVI so, Dr. Green started her LVI journey one week after taking ownership of the practice. Upon completing her LVIF in 2013, she has continued to pursue advanced education at LVI, earning the TMD and orthodontic badges. As the owner of Springfield Smile Doctor, Dr. Randi Green practices her passion for helping those suffering from TMD. Her practice is dedicated to high-quality aesthetics, physiologic TMD therapy, facial development orthodontics, and the recognition and co-management of sleep-disordered breathing. Dr. Green has been awarded Top Dentist in her town for five consecutive years and was named one of Incisal Edge Magazine's 40 under 40 in 2019. She is honored to be a part of the IAPA Board of Directors. She hopes to use her position to further physiologic dentistry by raising TMD awareness and improving the care of patients.

Outside of the dental practice life, Dr. Randi Green enjoys spending time with her husband Daniel and four-year-old daughter Callie doing all sorts of fun kid-things.

JOE BARTON, DMD, LVIM, FIAPA

Dr. Barton received his college and doctor of medical dentistry degree from the University of Florida in 1986. Immediately following graduation, he worked as an associate for one year in Jacksonville, Florida. In October of 1987, Dr. Barton opened his solo dental practice in Jacksonville. Following a course taken in 1995 at Las Vegas Institute for Advanced Dental Studies (LVI Global), Dr. Barton slowly began to transition his general dentistry practice into a practice that focused on aesthetic dentistry. Later, in 2001, Dr. Barton built and moved into a brand new office that helped further transition the practice into comprehensive neuromuscular aesthetic dentistry. He is a graduate of and instructor with the Las Vegas Institute for Advanced Dental Studies (LVI). He also has achieved the LVI Mastership award. He teaches dentists from all over the world in the latest treatments for cosmetic dentistry, full mouth reconstruction and neuromuscular occlusion. Dr. Barton is affiliated with many dental organizations; AGD, AACD, FDA, ICCMO, as well many local affiliations. He is a frequent speaker to many study groups and associations.

ANGELA R. CAMERON, DDS, PC, FDOCS, LVIF, FAGD, FPFA

Dr. Cameron is an international speaker, philanthropist, and leader in the dental field. For over twenty one years she has been the owner and chief "Smile Artist" at Sophisticates Smiles and the TMJ Treatment Clinic both located in beautiful Johnson City, TN (USA). She has been honored with numerous awards including being named one of America's "Top Dentists" and the 2019 "Power Woman" of the Year. Dr. Cameron is a published author and has written three very successful books focused on Cosmetic, Sedation, and Implant Dentistry. In addition to her Doctor of Dental Surgery Degree from the University of Tennessee, Memphis, DrCameron holds five Post-doctoral Fellowships including being a Fellow with the Pierre Fauchard Academy. She was recently inducted into the prestigious International College of Dentists. She also has a M.S. Degree in Bio-physical Chemistry (1998) and B.S. Degree in Biochemistry (1997) both from Furman University. Dr. Cameron is the Founder of the Cameron Institute Foundation, a 501(3)c Non-profit charity whose mission is to "End dental pain and suffering in the world." She is part owner of the Tri-Cities Otters Soccer Team (Football Club). She serves on the Board of Directors for the non-profit charity One Warm Coat. Dr. Cameron has been married for 21+ years to Dr. Jason Cunningham and they have two beautiful children Andrew (18) and Alexis (14). She is an active member of her community and Central Baptist Church. Dr. Cameron believes that living is about giving and every day she strives to make the world a better place. In her spare time, Dr. Cameron enjoys spending time with her family, cheering for the UT Volunteers Football team (Go VOLS!), reading, training, and relaxing at the Spa.

JAKE GOZA, DDS, LVIF

Dr Jake Goza received his doctor of dental surgery degree from Louisiana state university health science center in New Orleans in 2007. After graduation he worked two years as an associate in a clinic in Houma, Louisiana. In 2009 he moved to Maryville, TN to become a partner at Crestview Dental.

In 2014, he began his education to treat TMD and facial pain at LVI and that treatment modality has become a huge part of his daily routine. He received his fellowship with LVI in 2019, and being fortunate to bring in an associate to his practice, Dr Goza has been able to focus primarily on treating patients with TMD and facial pain issues. In 2019, he was able to add orthodontics to his practice to give individuals more options on how they can be treated.

Outside of the office, Dr Goza spends his time with his wife Kellie, son Cameron and daughter Ruby. Both kids are active in sports and he is lucky that he has the time to help with their teams.

DAVID SCHMIDT, DDS, LVIF, FIAPA

Clinical Instructor at LVI Global – Las Vegas Institute for Advanced Dental Education
David E. Schmidt, D.D.S. is a native of Indianapolis and earned his undergraduate degree in Economics with honors from Indiana University. He received his Dental degree from the Indiana University School of Dentistry in 1994. After graduation, he joined his father's high-volume practice and spent the next five years perfecting his dentistry with a gentle touch. In 1999, Dr. Schmidt moved to Lake Forest, IL where he joined Dr. Doug Campbell in practice. Since partnering with Dr. Campbell in their progressive dental fee-for-service practice. Dr. Schmidt has continued to expand his knowledge of the latest advances in dentistry through continuing education. He received his fellowship in 2009 from The Las Vegas Institute for Advanced Dental Studies, his IAPA fellowship in 2015, and is now a LVI Clinical Instructor. Outside of LVI, Dr. Schmidt lectures nationally on CAD/CAM technology. When not working or on the road, Dr. Schmidt enjoys swimming and spending time with his family.

ALBERT STARR, DDS, LVIF

Dr. Albert Starr graduated from Temple University School of Dentistry in 2009 and immediately joined his father in practice in their hometown of Erie, Pennsylvania. They practiced together for about 5 years before Dr. Starr took over the practice and made it his own. Since its inception in 1977, the practice has always had a philosophy of being technologically advanced and patient-centered. Dr. Starr maintains this philosophy today, with a small team and intimate practice. By doing so, the practice provides individualized and compassionate care in a friendly, modern setting.

Early in his career, Dr. Starr was fortunate to meet some amazing mentors who were instrumental in helping shape his career and introduced him to LVI. He attended his first LVI course in June 2016 and earned his fellowship in November 2018, which is something he is very proud of. He maintains much of his continuing education through LVI and has adapted the curriculum within his practice. Today, his practice focuses mainly on general dentistry with special interest in complex restorative and cosmetic cases. One of his career goals is to inspire and mentor other dentists. As a tenured student, Dr. Starr is now honored to now be part of the IAPA board.

Outside the office, Dr. Starr enjoys spending time with his wife, their two young children and their beloved German Shorthaired Pointer, Rennie. As a family, they enjoy boating and traveling together. Dr. Starr also enjoys spending time outside hunting, fishing, and skiing.

ED SUH, DDS, LVIF, FIAPA

Dr. Suh is fast becoming a recognized name in the field of contemporary dentistry. His down to earth, real life approach to systematically implementing contemporary techniques into the private practice is what has made him highly sought after as a speaker. From esthetic principles to simplifying complex adhesive protocols to streamlined practice management, the topics covered are true to life and have resulted in many success stories across the nation.

JOE DEWEES, CDA, LVI DIRECTOR OF CLINICAL AFFAIRS & CURRICULUM

Joseph Dewees was born and raised in Las Vegas, Nevada. He started working in dental offices 20 years ago at the age of 17 as a sterilization technician, while also furthering his education at the College of Southern Nevada. Since then he has worn many different hats in dental offices, from Clinical Dental Assistant, Front Office, Office Manager, and Treatment Coordinator. It was 15 years ago he was first introduced to The Las Vegas Institute, which started his passion for Physiologic Dentistry and enjoys helping patients achieve optimal dental and whole body health.

He is now the Director of Team Programs here at the Las Vegas Institute for Advanced Dental Studies. He believes a well-trained, empowered team is the key to a successful dental practice, and hopes to help team members unlock their full potential and help them find their passion for dentistry. In addition he has a second passion for fitness and is a Group Fitness Instructor and enjoys pushing people to reach and exceed their fitness and weight loss goals.
